About This Content

Additional level pack that continues the story of Mister Apple!
After reaching the edge of cloud world our hero has met with new problems and adventures!

This DLC adds:

- New single-player levels to blow your brains away once again!
- New interactive elements: buttons, apple stubs, movable tiles, magical apples. Each of these elements have a unique design and gameplay feature!
- Levels with non-turn-based gameplay mechanics that will not let you get bored in between the key levels of this pack!
